Callas blooming at Lilydale in February

Santa Cruz, California

COLIN H. MCISAAC, MANAGER
S. V. J. MCISAAC, SECRETARY

OUR SPECIALTIES:

- WHITE CALLA BULBS (AETHIOPICA)
- YELLOW CALLA BULBS (ELLIOTTIANA)
- FREESIA BULBS (PURITY)

Santa Cruz, California, May 24, 1919.

To the Trade:—

We are again offering you our high-grade A-1 quality specialties at practically the same prices prevailing during two seasons last past, although the cost of culture has materially increased. We quote:

WHITE CALLA BULBS (well known Aethiopica)

	Per 100	Per 1000	
2 in diameter	\$9.00	\$85.00	Delivery beginning August 5th
1 3/4 in. diameter	7.00	65.00	
1 1/2 in. diameter	5.00	45.00	
1 1/4 in. diameter	3.00	25.00	
1 in. diameter	2.00	15.00	

YELLOW CALLA BULBS (deep golden yellow—true Elliottiana)

	Per 100	Per 1000	
3 in. diameter	\$16.00	\$140.00	Delivery beginning October 15th
2 3/4 in. diameter	14.00	125.00	
2 1/2 in. diameter	12.50	115.00	
2 1/4 in. diameter	11.00	105.00	
2 in. diameter	10.00	95.00	
1 3/4 in. diameter	9.00	85.00	
1 1/2 in. diameter	8.00	75.00	

FREESIA BULBS (true Purity)

	Per 1000	
3-4 in. diameter and up	\$15.00	Delivery beginning July 10th
5-8 in. diameter	10.00	
1-2 in. diameter	6.00	
7-16 in. diameter (small 1/2 in.) . .	4.50	
3-8 in. diameter	3.00	

500 at 1000-rate; less than 500 at 100-rate.

All F. O. B. Santa Cruz. Terms: Net cash, thirty days; 2% discount for cash in ten days.

Our stock is of our own growing, and fully guaranteed—size, quality, strain, curing and packing. The white Calla bulbs represent four years' culture, under the most favorable conditions. Equally desirable stock cannot be purchased at lower figures.

Please send in your order at once. Stock is limited—especially the white Callas—and the demand active.

Yours very truly,

LILYDALE BULB COMPANY.
